

Wakatobi Resort & Pelagian

Wakatobi: An experience without equal.

Wakatobi Resort in southeast Sulawesi, Indonesia, is known as one of the world's premier dive and snorkel destinations. The resort has earned widespread recognition for its pioneering conservation and coral-reef protection programmes.

Guests have exclusive access to more than 40 unique dive and snorkel sites set within a private marine preserve. They also enjoy five-star service, fine dining and a relaxing small-island setting.

Individual bungalows and villas are set in a beachside coconut grove overlooking pristine coral reefs. A short swim from the beach, the resort's House Reef ranks as one of the world's best shore dives. Daily diving and

snorkelling trips are staged from a fleet of large, custom-built boats that offer spacious, sheltered seating and full amenities.

Wakatobi also operates the luxury dive yacht **Pelagian**, which makes week-long cruises through the Wakatobi archipelago and the muck-diving mecca of Pasarwajo Bay. Airport concierge services in Bali and direct charter flights to the resort make travel to Wakatobi relaxing and easy.
