# Amazing at any age

At Wakatobi Resort, families enjoy world-class underwater adventures and five-star personal service.

Discover some of the world's most colourful and pristine reefs at Wakatobi Resort. Although located in an idyllic, remote setting on a small island in Southeast Sulawesi, Indonesia, the resort is easily reached and offers a full suite of family-friendly amenities. Travellers are met at Bali's airport and provided with terminal-to-room concierge services that are appreciated by anyone travelling with youngsters. Direct private guest flights from Bali to the resort's own airstrip are met by attentive staff who will make you feel instantly welcome.

The resort's spacious bungalows are spread through an oceanfront palm grove to ensure ample personal space and privacy, and each one features interiors large enough to allow families to stay together. Even larger groups can choose an oceanfront villa to enjoy a second bedroom and bath, private decks with plunge pools and sweeping water views.

## Underwater wonders for all

If you're travelling with younger children, enlist the services of Wakatobi's caring nannies while you explore the underwater world or enjoy relaxing spa treatments, sunsets at the jetty bar and restaurant or patio dining overlooking the ocean. The entire family will look forward to meal times, as the resort's culinary team is renowned for its five-star cuisine, and even the fussiest of eaters will love the kid-friendly menus.

Children aged from five to 12 can join the fun at Wakatobi's Kids' Club, which offers a range of age-appropriate activities that can include kayaking, kite flying, treasure hunts, nature walks, sand sculpting and snorkelling. The programs are supervised by attentive counsellors, with a maximum ratio of three youngsters per adult. Children aged eight and up can participate in Bubblemaker and

Discover Scuba programs, or join their parents for family snorkelling sessions, either on Wakatobi's famous House Reef or aboard one of the spacious custom-built dive boats.

Older children with junior certifications can share the underwater adventures with their parents, while still remaining under the care of the resort's professional dive guides and instructors. Why not charter a private boat and guide to explore the reefs and scenery at your leisure? It's the ultimate snorkelling and diving experience. ●
