

An experience without equal

WAKATOBI, INDONESIA

“Wakatobi’s reefs are some of the most pristine I have seen anywhere, and Wakatobi resort and liveaboard are second to none. The diversity of species is brilliant.”

WAKATOBI RESORT AND PELAGIAN DIVE YACHT - INDONESIA

Wakatobi Resort, in Southeast Sulawesi, Indonesia, is one of the most secluded and pristine tropical destinations on the planet, offering what many claim to be the “best diving in the world.”

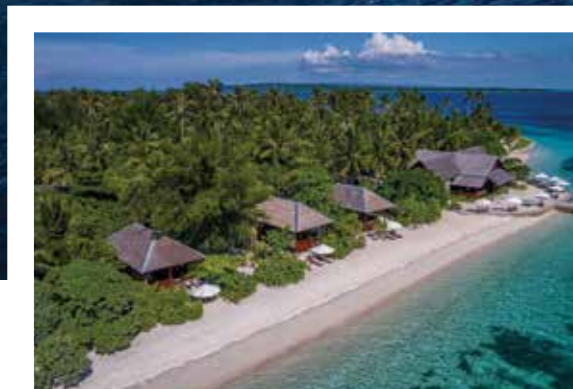

Located on the edge of Indonesia’s Banda Sea, 1000 km east of Bali, the resort and liveaboard dive yacht, Pelagian, is the number one choice of sophisticated divers and snorkellers worldwide.

Upscale, yet environmentally responsible, Wakatobi provides easy access to a pristine, protected coral reef sanctuary, and a spectacular setting. With a private charter flight that transports guests from Bali to the resort’s own airstrip in just 2.5 hours, gourmet dining and some of the world’s finest reefs at your doorstep, Wakatobi offers a level of personalised attention that equals or surpasses that of the finest hotels and resorts.

One visit would be the dive vacation of a lifetime, but you’ll soon want to return time and time again.
